

# PEDRO SORRENTINO

## JAVASCRIPT / TYPESCRIPT DEVELOPER

Over 10 years of experience as a Software Developer with a strong focus on JavaScript, complemented by TypeScript. Extensive experience in large-scale collaborative projects, working with highly skilled programming teams. Self-taught skills backed by an entrepreneurial and agile mindset. Proficient in delivering innovative, customer-centered solutions that exceed business needs.

## MOST RECENT WORK EXPERIENCE

### Full Stack Developer at OrdepDev

December 2014 - Present [Las Palmas, Spain]

#### RESPONSIBILITIES

- As a freelance web developer, I have expertise in technologies such as JavaScript, Typescript, React, Next.js, Qwik, Node.js, Tailwind, MongoDB. I take pride in building and maintaining websites that are both visually appealing and user-friendly.

### Back End Developer at NextGen Web Tech.

January 2013 - December 2015 [Madrid, Spain] [Remote Working]

#### RESPONSIBILITIES

- In this role, I had the opportunity to work on complex web applications using React, Node.js and PostgreSQL. I also participated in the development of RESTful APIs to support the front-end.

### Wordpress Developer at Innovative Interactive

June 2004 - October 2012 [Las Palmas, Spain]

#### RESPONSIBILITIES

- At this company, I was part of a team responsible for developing custom WordPress themes and plugins. I learned a lot about WordPress development and had the opportunity to work on some exciting projects.
